Remarks

Tucked away in a peaceful, secluded setting, this fully updated ground-set manufactured home offers the perfect blend of privacy & modern comfort. The property features gated front and back yards, full fencing, and a wraparound concrete walkway. Inside, you'll find a spacious split floorplan with two living areas, vaulted ceilings, and stylish upgrades throughout including new flooring, PEX plumbing, stainless steel appliances, quartz countertops, new cabinets, modern fixtures, window sunshades, and ceiling fans in every room. A separate bedroom includes its own private exit for added flexibility. With underground utilities, stunning mountain views, and no HOA or CC&Rs, this home offers the freedom you want just minutes from shopping, schools, and freeway access.
